To: BAJA Participants, Faculty Advisor, College HODs & Principals,

5th May 2016

Greetings from Mahindra BAJA SAEINDIA!

I would like to express my heartfelt gratitude for your efforts and commitment towards Mahindra BAJA SAEINDIA. It is testimony of your faith that we have been able to grow year by year and gained this sort of popularity. We truly appreciate your participation in Mahindra BAJA SAEINDIA 2017.

Mahindra BAJA SAEINDIA 2016 received a great response from the industry as well as the academia and we could actually see the "Passion to Podium" in the participants to bring the trophy home. It experienced the participation of 395 teams to the competition out of which only 179 made it to the week-long event. As we gear up for the 10th edition of BAJA SAEINDIA, teams must get ready to face heads on challenges and fierce competition due to an increase in participation to 412 teams.

Today, I am delighted to announce that the Virtual Round of Mahindra BAJA SAEINDIA 2017 would take place in ***Christ University****, Faculty of Engineering, Kengeri Campus, Kanmanike, Kumbalgodu, Mysore Road, Bengaluru, Karnataka on* ***24th & 25th of June, 2016****.*

The Assessment will include both Written Test as well as Presentation; each will carry equal weightage in your final selection.

The details of Evaluation Process are as follows:

1. ***Written Test – 100 marks – 30 minutes***
   [It will test your knowledge on Rulebook (50 marks) & General – Basic Mechanical, Electrical/ Electronics, Automotive Engineering Questions (50 marks)]
2. ***Presentation – 100 marks – 30 minutes***

After two days of rigorous assessment based on written test and presentation round, the final list of selected teams will be published on the official website of BAJA SAEINDIA/ Facebook Forum.

Further details on Presentation Guidelines, Time Slots, Schedule & other related information will be shared to the teams as early as possible.

I wish all the participants a best of luck.

Best Regards,

Shaan Varma
